Betting on Home Wins will LOSE YOU MONEY...

**But these 'hidden' football
bets pay out time and time
again...**

In this exclusive report – discover:

- **20 reasons NOT to bet on Premier League Home Wins...**
- **The real way to make money from football...**
- **The bets that bookies don't want you to place...**

Welcome to your exclusive free report from *Across the Leagues*.

Below you'll find many different ways to make money from football – but none of them will be the 'Home Win'...

The bookies love you to back short price Home Wins.

And the bookies live off punters betting blindly on their favourite teams...

Look at these Premier League score-lines from last season:

Man City 0 Stoke 0

Home Win @ 1/5? LOSING BET

Chelsea 1 Crystal Palace 2

Home Win @ 1/3? LOSING BET

Arsenal 1 Watford 2

Home Win @ 1/5? LOSING BET

Betting like this will only LOSE. YOU. MONEY.

But there is so much **MORE** to football betting than Match Results and Home Wins...

Cash-in on these 'hidden' football markets...

In every game, for every team, in every division... whether it's the Champions League or the Championship, the Premier League or League Two...

There are bets proven to pay out **MORE** often than Home Wins – and make **MORE** money.

Just look at the Premier League last season.

Here are the Home Win records and profit/ loss figures for all 20 teams in the 2016/17 season.

For EVERY team, there was a MORE PROFITABLE 'alternative' bet in the stats markets...

These are the bets the bookies DON'T want you to place...

The bets above are **just 20** examples from last season in the Premier League.

Combined, from £25 stakes, the figures above show you would have made a **LOSS** of **£88.20** by backing the **Home Wins**.

But by backing the **'alternative' stats-based bets**, to the same stakes, on the same teams in the same season – you would have made a **PROFIT** of **£5,667.57**.

The numbers speak for themselves. And there are profitable 'alternative' betting opportunities like this for **every team** across all leagues, every week of the season...

These truly are the bets that bookies don't want you to know about...

Forget Home Wins and the bookies' 'shop window' bets.

The key is to use the **stats**.

Or to be more accurate – to use stats that are **specifically targeted** at the bookies' betting markets...

The real way to make money from football...

Markets like **Goals, Corners** and **Yellow Cards** are a goldmine – if you have the right information at your fingertips.

Our *Across the Leagues* service does precisely that. Giving you **unique betting stats** across over **30** markets... for all **92 Premier League** and **Football League** teams every week... PLUS the **Champions League**... AND – **new for 2017/18** – all 12 **Scottish Premiership** teams...

- ✓ Premier League
- ✓ Championship
- ✓ League One
- ✓ League Two
- ✓ Scottish Premiership – NEW for 2017/18
- ✓ PLUS – the Champions League

'Innovative and invaluable'...

This really works. *Across the Leagues* members are enjoying using the site and following the stats...

'...Innovative and invaluable...'

"Thank you for offering such an innovative and invaluable service in *Across the Leagues*"

Alex

'...Loads of goals – both bets came in!...'

"As you said there would be a load of goals in the CKSA game, I split my stake at over 2.5/over 3.5 - both came in easily!"

Dave L

'...Well done with the Both Teams to Score bets...'

"Just like to say well done in choosing the both teams to score bets this weekend (despite the bookies disagreeing with you). Thank you"

John Beck

'...Your programme is excellent...'

"Your programme is excellent. I have been doing the stats on every game since I joined and for me the "corners" are working out to around 80% ... and that's a bet I would never have considered until this came. Cheers"

Lui

'...The site is great – I used the stats to pick out a 6/1 treble...'

"Across The League site is great ... I use the site to do accumulators on over/under 2.5 goals and Both Teams to Score ... I used the Champions League stats to pick out a nice little treble – total odds 6/1. Keep up the good work"

Lee Blaylock

'...Football stats are excellent, keeps improving...'

John Hammond

'..Across the Leagues is a really good site...'

"Across the Leagues is a really good site, I use it to conduct my own +/-2.5 goals and Both Teams to Score, using the percentages"

Lee

'...Really good...'

"I really think your service is really good. I feel you're improving with your new features all the time"

Lorenzo Mazza

'...Across the Leagues stats are great...'

"Across the leagues stats are great, every Saturday morning I look at every match for corner & booking match ups"

Darren Jones

'...This season's service is the best ever...'

"I've been a subscriber for several years now. This season's service is the best ever. It's good value for money too."

Aidan Elliott

'... Really enjoy your emails and all the info contained ... keep up the great work...'

Get members-only access to THIS SEASON'S moneymaking stats...

Throughout the 2017/18 season your *Across the Leagues* **website** will continue to be updated after every round of games. With our latest unique betting stats, Head-to-Head comparison pages and at-a-glance tables from across the leagues – covering **over 30 markets...**

The members-only site gives you access to a wealth of data that can help you pick winners from everything to Goals & Goal Times... to Scorers, Corners, Cards... plus markets such as Win To Nil and Win & Both Teams to Score, which offer much greater odds than the bookies' favoured Match Result and Home Win prices.

As well as access to the site covering **over 100 teams** over five leagues, we'll also be providing bespoke Champions League stats & advice throughout the season.

And I'll be in touch by **email** more times than ever before. With *Stats Review* updates, *Spotlight* features on standout teams and markets – and of course betting *Picks & Analysis* every weekend and for midweek fixtures, too...

We have plenty to look forward to in 2017/18. Your *Across the Leagues* package – the website and email service – is bigger and better than ever before. With increased midweek email updates, plus coverage of a whole new league with the Scottish Premiership added to our unique betting stats & analysis.

I'll be in touch again soon...

Best wishes,

Oliver Upstone
